

## **Quest, Inc. – Suncoast**

The Quest team, through quality and innovation, builds communities where people with developmental disabilities achieve their goals. Quest has served the Central Florida region with a variety of services for the developmentally disabled community for over 50 years. Quest's Intermediate Care Facilities are located in both Orlando and Tampa.

### **Resident/Family Testimonies**

- Peggy - "Quest is a great place and a God send".
- Anthony – "I appreciate everything you all do to make my loved one safe, healthy and happy."
- Marietta – "There, she is loved and cared for. She goes to daily workshops and is out in the community. She is very happy."
- Wanda – "These couple of years have been great! My loved one is being cared for very well and he looks happy. I am very happy with his placement in Quest. Everyone has been very supportive and helpful."

### **Locations**

- Skipper Road Cluster
- Williams Road Cluster

### **Programs Available to Residents**

Skipper and Williams Road Clusters are located in neighborhoods as part of the community. Residents have access to occupational therapy, speech/language therapy, dietary services, physical therapy, behavioral services, adult day programs, and opportunities to participate in community events, including outings to social events, Lowery Park Zoo, the Florida Aquarium, theme parks and shopping.

### **Team Members**

Team members are specially trained to provide assistance and training with various therapies and training with activities of daily living, as well as assist with nutritional management and physical management needs. Team members work closely with occupational, speech, dietary and physical therapy consultants to ensure the highest quality of care.
