

RHA Salem Homes of Florida- Suncoast Region

SALEM HOMES OF FLORIDA, INC.

Our mission at Salem Homes of Florida is to provide quality supports and services for adults with disabilities and for them to live as independently as possible. We support 1 Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) in the Suncoast Region of Florida. The homes are small 6-bed and typical homes in the community. People who live there are encouraged to participate in community activities, shopping, dining out, going to concerts, and attending church or religious services of their choice.

Our Services Include:

- Nursing Services
- Round the Clock Supervision
- Transportation to Appointments
- Day Program Services
- Work and Recreation Activities
- Family Style Nutritious Meals with the Oversight of a Licensed Dietician
- Medication Management
- Occupational Therapy (OT)
- Physical Therapy (PT)
- Speech Therapy (ST)
- Behavioral Health Services

*(Note all services provided are included in the daily rate.)

Our approach to care puts the needs of the people and communities we serve at the center of every decision.
