Mission

The mission of the Florida Alliance for Direct Support Professionals (FADSP) is to promote the development of a highly competent human services workforce which supports individuals achieving their life goals.

Organizational Goals

The goals of FADSP include promoting the interests of the direct support workforce by:

- Promoting the direct support profession as a viable career opportunity,
- Keeping FADSP members aware of pertinent national and state issues,
- Exploring ways to make NADSP accredited credentialing programs available to direct support professionals in Florida, and
- Supporting and encouraging participation in legislative campaigns both on a state and national level.

Organizational Affiliation

The Florida Alliance for Direct Support Professionals is the official state chapter of the National Alliance for Direct Support Professionals.

Guiding Principles

1. Enhance the status of direct support professionals.
2. Provide better access for all direct support professionals to high quality educational experiences (e.g., in-service training, continuing and higher education) and lifelong learning which enhances competency.
3. Strengthen the working relationships and partnerships between direct support professionals, self-advocates, and other consumer groups and families.
4. Promote systems reform which provides incentives for educational experiences, increased compensation, and access to career pathways for direct support professionals through the promotion of policy initiatives (e.g., legislation, funding, practices).
5. Support the development and implementation of a national volunteer credentialing process for direct support professionals.

FADSP Membership

FADSP Membership is available to direct support professionals, supervisors, provider agency executives, consumer family members, self-advocates, or any other individual interested in promoting the interests of the direct support workforce. Simply fill out the membership form on the back of this brochure and mail it to the referenced address.

Benefits of Membership

Individual memberships include one subscription to *Frontline Initiative*, a Code of Ethics pocket card, a NADSP membership card, an FADSP certificate of membership, regular e-mail correspondence on relevant direct support workforce issues both statewide and nationally, and a bi-annual FADSP newsletter.
