

Florida Mentor – Northeast Region

Florida Mentor's mission is to create a system of care for individuals with complex conditions that provides:

- Options for living in the community;
- Supports for attaining independence; and
- Opportunities for personal growth and personal connection in natural settings.

Florida Mentor believes that individuals should have the opportunity to receive services and supports in their own communities regardless of the complexity of their condition, severity of their disability, or challenges of their behavior.

Programs Available to Residents

Founded in 1980, The MENTOR Network is a national network of local human services providers offering an array of quality, community-based services to adults and children with developmental disabilities or acquired brain injury; to children and adolescents with emotional, behavioral and medically complex challenges; and to elders in need of home care.

Hodges Cluster, Kinkaid Cluster, Point West Cluster, and Eagles Watch Cluster all have three separate units with 4 semi-private rooms each, which specialize in medical care for residents.
