

## **St. Augustine Center for Living – Northeast Region**

The St. Augustine Center for Living's mission is to address all aspects of the personal, social, and emotional development of the clients we serve with the assistance of professionals and direct care staff.

### **Location**

St. Augustine Center for Living  
5155 U.S. 1 South  
Saint Augustine, FL 32086

The campus site provides a warm, homelike environment and is conveniently located. Amenities include swimming facilities and a basketball court. Residents participate in daily structured activities and are also given ample time for leisure and recreation opportunities.

### **Programs Available to Residents**

The St. Augustine Center for Living opened its doors in 1980. The Center is a 60-bed ICF/DD (Intermediate Care Facility for the Developmentally Disabled) and is situated on 13 wooded acres in St. Augustine, Florida. Individuals served include 45 adult male residents and 15 adult female residents. On the east side of the campus, four cottages house 15 residents each.

### **Staff**

The facility has over 75 employees in addition to a consultant dietitian physician, pharmacist, dentist, psychologist, and psychiatrist. It also employs a full time recreation therapist, social worker, certified dietary manager, behavior specialist (CBA), three LPNs, one RN and a QMRP. Many of the key staff have been with the facility since its inception.

### **Unique Features**

The St. Augustine Center for Living is committed to delivering programs and services of a habilitative and rehabilitative nature that address the individual needs of developmentally disabled adults who require supervision to perform independent life-skills or social functions. Clients are exposed to age appropriate opportunities in critical developmental areas that include, but are not limited to self-help skill proficiencies, social/behavior skills, and activities of daily living.
