

## Woodhouse, Inc. – Southeast Region

Woodhouse impacts the lives of people with intellectual and developmental disabilities by promoting independence, encouraging self-actualization, and creating an environment for optimal health.

### Location

Woodhouse  
1001 NE 3<sup>rd</sup> Avenue  
Pompano Beach, FL 33060

Woodhouse is an Intermediate Care Facility for adults diagnosed with severe to profound intellectual disabilities coupled with extreme medical challenges. It is located in Pompano Beach, Florida in Broward County. We are only two miles away from the beach on Florida's Gold Coast. Our facility, which opened in 1983, includes two 12-person co-ed homes, a tropical courtyard, vegetable garden, and a large recreation patio. Each home has six individualized 2-person bedrooms, a recreation room, kitchen, dining room, and living room.

### Programs Available to Residents

Woodhouse provides year-round, 24-hour skills enhancement, behavioral, and medical treatment for our residents. All of the residents have the opportunity to attend our Adult Day Training Program, the Truman Worden Training Center, which is also in Pompano Beach and open Monday – Friday. Both facilities provide the following services and training:

- 24-hour Medical Staffing and Care
- Medical Self-Determination Training
- Physical and Occupational Therapies
- Speech Pathology
- Behavioral and Psychiatric Services
- Recreation Therapy

- Dietetic Services
- Physical and Nutritional Education
- Community Integration and Civic Involvement
- Social Skills Training
- Academic Skills Training
- Self-Reliance Skills Training
- Multi-Cultural Appreciation

All of these services are directed by the residents with the assistance of their Interdisciplinary Team of experts in each field.

### **Staff**

Woodhouse employs around 55 staff members. All of our direct care staff are educated and Certified Nursing Assistants capable of providing an exceptional level of care to their residents. The management staff are credentialed, and each have multiple years of experience working for people with intellectual disabilities.

### **Unique Features**

- All of our hands-on staff are Certified by the State of Florida as Nursing Assistants.
- A Licensed Practical Nurse is stationed with the residents 24 hours a day and is licensed to treat the most extreme medical challenges.
- Woodhouse has its own Adult Day Training Program designed specifically for those who are lower functioning to increase basic self-reliance skills.
- Residents can harvest food directly from our garden to cook for themselves. They can also pick from mango, avocado, or banana trees.
- Woodhouse is a vital member of the local community and is supported by nearly all of our local service and civic organizations including the Rotary, Exchange, Soroptimist Clubs, as well as the local Chamber of Commerce.
