Miami, FL 33182

Programs Available to Residents

Each Miami Cerebral Palsy program serves 24 residents by providing a variety of therapies and services based on individual needs that include physical therapy, occupational therapy, speech therapy, behavior therapy and training activities to acquire self care/daily living skills. Please see the attached Residential Facility Information Manual for more details and pictures of our facilities.

Unique Features

Miami Cerebral Palsy (MCP) specializes in providing services to complex, medically at risk, non-ambulatory individuals.

Staff

MCP strives for excellence in staff training. MCP was selected Top 125 Companies To Work For by the Training Magazine for five consecutive years: Ranked 89th in 2012, 40th in 2011, 54th in 2010, 95th in 2009 and 94th in 2008. It was also recognized by the National Alliance for Direct Support Professionals in 2008 with the Moving Mountains Award for excellence in direct support staff workforce development.
