

CBC Suncoast Salem Homes -Suncoast Region

*Salem Homes
Of Florida, INC.*

We are proud to announce that Salem Homes has joined CBC Suncoast New Options. Our mission is to provide quality supports and services for adults with intellectual and developmental disabilities (I/DD) and for them to live as independently as possible. A person-centered approach to services is what you can expect with CBC Suncoast New Options. From our leadership to our employees, our combined experience and commitment to quality services support each individual and assists them in accomplishing their goals.

We support four Intermediate Care Facilities for Individuals with Intellectual Disabilities (ICF/IDD) in the Central Region of Florida. The homes are small six-bed facilities located in various communities. Our residents are encouraged to participate in community activities, shopping, dining out, going to concerts, and attending church or religious services of their choice.

Our Services Include:

- Nursing Services
- Round the Clock Supervision
- Transportation to Appointments
- Day Program Services
- Work and Recreation Activities
- Family Style Nutritious Meals with the Oversight of a Licensed Dietician
- Medication Management
- Occupational Therapy (OT)
- Physical Therapy (PT)
- Speech Therapy (ST)
- Behavioral Health Services

* (Note all services provided are included in the daily rate.)

Our approach to care puts the needs of the people and communities we serve at the center of every decision.
