Programs Available to Residents

For over 35 years, Sunrise has earned its reputation as the premiere not-for-profit organization dedicated to providing the support and assistance necessary so that people with developmental disabilities can take their rightful place in the community.

Country Meadows, Wheeler, Kaul, Suffridge Drive, and 26th Terrace Group Home are six-bed ICF/IIDs which are similar to 6-bed group homes. These programs are converted single-family homes within community settings. Cape Coral Cluster has three separate units with 4 semi-private rooms each, which specialize in medical care for residents.
